

Produce Safety Cooperative Agreement Program**OAI Inspection Data Sharing (Path C ONLY)**

PATH C, TRACK 1 or 2, OPTION A recipients must submit biannual reporting on OAI inspections (reporting dates below). Recipients enrolled in **OPTION D** are **NOT** required to submit this separate report for the duration they are enrolled in **OPTION D**. Additionally, if during the inspection a farm has one or more conditions that have or could likely lead to produce contamination and there is impacted produce in the marketplace, or it is unknown whether impacted produce is in the marketplace, **you must inform FDA within 1 business day** after the conditions are observed, and coordinate on any compliance and enforcement activities. In these situations, the recipient should continue to take the action they consider appropriate under their authority.
