This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

DURING AN INSPECTION OF YOUR FIRM I OBSERVED:

OBSERVATION 1

You did not maintain complete treatment records.

Specifically,

On (b) (4), a steer (ear tag: (b) (4)) from your feedlot was processed for the purpose of human food at a slaughterhouse in (b) (4). At the time of slaughter on (b) (4), this steer was sampled by USDA FSIS and found to contain levels of the drug Desfuroylceftiofur (Ceftiofur metabolite) in the kidney at a level of 2.29 ppm that exceeds the established tolerance of 0.4 ppm in the kidney.

You stated that this animal identified as (b) (4) was administered (b) (4) (NADA # (b) (4), Ceftiofur) sometime in the month of April 2025 however you did not maintain any treatments records to document the administrations of veterinary drugs to this animal.

The observations of objectionable conditions and practices listed on the front of this form are reported:

1. Pursuant to Section 704(b) of the Federal Food, Drug and Cosmetic Act, or
2. To assist firms inspected in complying with the Acts and regulations enforced by the Food and Drug Administration.

Section 704(b) of the Federal Food, Drug, and Cosmetic Act (21 USC 374(b)) provides:

"Upon completion of any such inspection of a factory, warehouse, consulting laboratory, or other establishment, and prior to leaving the premises, the officer or employee making the inspection shall give to the owner, operator, or agent in charge a report in writing setting forth any conditions or practices observed by him which, in his judgment, indicate that any food, drug, device, or cosmetic in such establishment (1) consists in whole or in part of any filthy, putrid, or decomposed substance, or (2) has been prepared, packed, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health. A copy of such report shall be sent promptly to the Secretary."
