This document lists observations made by the FDA representative(s) during the review of your Foreign Supplier Verification Program (FSVP). They are observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) including by submitting this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

DURING AN INSPECTION OF YOUR FOREIGN SUPPLIER VERIFICATION PROGRAM I OBSERVED:

OBSERVATION 1

You did not determine and document the frequency of conducting the verification activities to provide adequate assurances that a food you obtain from a foreign supplier is produced in compliance with processes and procedures that provide the required level of public health protection.

Specifically, you did not determine or document the frequency of verification activities to be conducted for the (b) (4) Hay you imported from (b) (4) nd the Mixed Hay you imported from (b) (4)
