

MDVP Coordinator issues call for proposals (biannually) to Centers and ORA laboratories

MDVP Coordinator receives proposals, catalogs in MDVP database

MDVP Coordinator meets with appropriate regulatory center to form MDVP Review Committee – proposals are reviewed for mission importance, FDA impact, scientific merit, and likelihood of success. Committee decides which pathway.

Non-Regulatory Pathway:
Does DFS see value in this project?

Regulatory Pathway:
MDVP Coordinator sends laboratory review decision:
(1) Approved
(2) Approved with minor revisions

YES

NO

MDVP Coordinator sends laboratory review decision:
(1) Approved
(2) Approved with minor revisions

Proposal not approved – laboratory notified why
