Counterfeit medicines are fake or “copycat” medicines. They may not be safe and effective, and could be dangerous to your health.

**DON’T BE A VICTIM!**

Buy medicines only from state-licensed pharmacies that are located in the United States. Find your state’s contact information from the National Association of Boards of Pharmacy (NABP) at [www.nabp.pharmacy](http://www.nabp.pharmacy)

or

Look for this seal on Internet pharmacy Web sites. Pharmacies that carry this seal are listed at [https://staging.nabp.pharmacy/programs/vipps/](https://staging.nabp.pharmacy/programs/vipps/)
