

Priority Reviews¹

The following table provides the number of times from 9/27/07 through 12/31/18 that the Pediatric Review Committee (PeRC) made a recommendation to the Secretary that an application or supplement be considered for priority review, the number of times the Secretary followed or did not follow such a recommendation and, if not followed, the reasons why such a recommendation was not followed.

Number of Times PeRC Recommended Priority Review	0
Number of Times Secretary Followed Recommendation	n/a
Number of Times Secretary Did Not Follow Recommendation	n/a
Reasons Why Recommendation Not Followed	n/a
