This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

DURING AN INSPECTION OF YOUR FIRM WE OBSERVED:

OBSERVATION 1

All your required records do not include the time of the activity that the records reflect.

Specifically, during the current inspection your records did not include the time of activity that the records reflect.

OBSERVATION 2

All required records do not have the signature or initials of the person performing the operation or creating the record.

Specifically, during the current inspection your records did not have a signature of the person performing the operation.

OBSERVATION 3

All required records do not include your name and the location of your farm.

Specifically, during the current inspection your firm did not have your name and location of your farm for required records.
