This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

DURING AN INSPECTION OF YOUR FIRM WE OBSERVED:

OBSERVATION 1

Stray animals are not prevented from entering poultry houses.

Specifically, on 5/31/11 we observed three small wild birds inside poultry house 3. These birds were observed entering the poultry house through an approximate gap of four inches between the roof and the South wall of the house.

OBSERVATION 2

You do not maintain records documenting compliance with refrigeration requirements.

Specifically, you do not maintain records showing that the eggs processed after time of lay from house # 5 were held under refrigeration at 45°F or below.
