

SMG 1113B.5

FDA Staff Manual Guides, Volume I – Organizations and Functions

Department of Health and Human Services

Food and Drug Administration

Office of the Commissioner

Office of Clinical Policy and Programs

Office of Pediatric Therapeutics

Effective Date: December 14, 2018

1. Office of Pediatric Therapeutics (DCJD).

- A. Coordinates and facilitates all activities of the Food and Drug Administration (FDA) that may have any effect on the pediatric population, the practice of pediatrics, or may in any way involve pediatric issues.
- B. Coordinates the review of and communicates internally and externally pediatric adverse event reports for drugs, biologics and devices during the one-year period after the date of a labeling change.
- C. Provides for the review of adverse event reports and other new safety information and obtains recommendations from sources such as the Pediatric Advisory Committee (PAC) regarding whether FDA should take action. Additionally, the Office of Pediatric Therapeutics (OPT) coordinates action by the PAC for dispute resolution of pediatric safety labeling changes that are not agreed upon by the sponsor and the Commissioner not later than 90 days after referral.
- D. Coordinates with all Department of Health and Human Services (DHHS) and FDA employees who exercise responsibilities relating to pediatric therapeutics.
- E. Serves as the FDA focal point for all issues involving ethics and science with respect to the pediatric populations.
- F. Coordinates with the FDA International Programs while serving as the FDA focal point for international pediatric activities.

2. Authority and Effective Date.

The functional statements for the Office of Pediatric Therapeutics were approved by the Secretary of Health and Human Services and effective on December 14, 2018.
