ENDORSEMENT

This inspection was a BSE only inspection conducted by the New Mexico Department of Agriculture under contract with FDA to determine the firms compliance with the BSE rule 21 CFR 589.2000 and 589.2001. The previous BSE only inspection was conducted 07/07/2009 by the New Mexico Department of Agriculture and concluded in No Deviations Noted. Mr. Jimmie Shearer, President and CEO (most responsible person at this site) was presented with FDA credentials and issued an FDA Form 482 Notice Of Inspection. Mr. Shearer was the individual interviewed for this inspection.

Sunland, Inc. is a Human Food Processor only that manufactures peanut products in the form of peanut butter, raw and roasted in shell peanuts and raw and roasted shelled peanuts. The processing of raw peanuts for human consumption results in two by-products, peanut hulls and peanut skins, which are sold (b) (4). Only vegetable source proteins are received and utilized by this facility. Sunland, Inc. receives raw in shell peanuts for processing directly from local and out-of-state growers using a combination of Sunland, Inc owned peanut trailers and grower owned peanut trailers. Some raw shelled peanuts utilized at this facility are received from out-of-state peanut processors. Transportation of outbound by-products is provided by the customer. According to Mr. Shearer, Sunland, Inc. does not require or receive written or verbal assurance of adequate measures taken by inbound or outbound transporters to assure no cross-contamination with prohibited proteins occurs during the transport of peanuts or by-products. All raw peanuts received are inspected by the New Mexico Department of Agriculture Federal - State Inspection Services to determine grade, quality and sanitation prior to processing. Sunland, Inc. is aware of the BSE regulations and is registered as a Food Facility with FDA. No prohibited protein products were observed being stored or used at this facility. Mr. Shearer was provided with a copy of FDA Guidance For Industry 68 (revised October 19, 2010)

All post inspectional correspondence should be sent to Mr. Jimmie Shearer, President and CEO, Sunland, Inc., P.O. Box 1059, Portales, NM 88130.

This inspection was closed on 08/08/2011
