

AGENDA

May 30-31, 2013 Workshop Scientific Roadmap for the Future of Animal-free Systemic Toxicity Testing

FDA's Wiley Building
College Park, Maryland

Thursday, May 30, 2013

- 10:00-10:30 a.m. Welcome and perspectives from FDA
Presenter: Donald Zink (US FDA)
- 10:30-11:00 a.m. Systemic toxicity testing: Challenges and opportunities
Presenter: Thomas Hartung (Johns Hopkins University)
- 11:00-11:30 a.m. European approaches to animal-free systemic toxicity testing: SEURAT Update
Presenter: Michael Schwarz (University of Tübingen) - Invited
- 11:30 a.m.-12:00 p.m. ToxCast Update
Presenter: David Dix (US EPA)
- 12:00-1:00 p.m. **LUNCH**
- 1:00-1:30 p.m. Roadmap for animal-free repeated dose testing
Presenter: James McKim (CeeTox)
- 1:30-2:30 p.m. Discussion of the future of repeated dose testing
Moderator: TBD
- 2:30-3:00 p.m. Roadmap for animal-free reproductive toxicity testing
Presenter: Thomas Knudsen (US EPA)
- 3:00-4:00 p.m. Discussion of the future of reproductive toxicity testing
Moderator: TBD
- 4:00-4:30 p.m. **BREAK**

4:30-5:00 p.m. Roadmap for animal-free skin sensitization testing
Presenter: David Basketter (DABMEB Consulting)

5:00-6:00 p.m. Discussion on the future of skin sensitization testing
Moderator: TBD

6:00 p.m. **ADJOURN FOR THE DAY**

Friday, May 31, 2013

09:00-09:30 a.m. Roadmap for animal-free toxicokinetics testing
Presenter: Harvey Clewell (Hamner Institutes)

09:30-10:30 a.m. Discussion on future of toxicokinetics testing
Moderator: TBD

10:30-11:00 a.m. **COFFEE BREAK**

11:00-11:30 a.m. Roadmap for animal-free carcinogenicity testing
Presenter: Thomas Hartung (Johns Hopkins University)

11:30-12:30 p.m. Discussion on the future of toxicokinetics testing
Moderator: TBD

12:30-1:30 p.m. **LUNCH**

1:30-2:00 p.m. Drawing the future roadmap for animal-free toxicity testing
Panelists: TBD

2:00-3:00 p.m. Audience discussion on "The Day After Tomorrow"
Moderator: TBD

3:00 p.m. **ADJOURN**
