Patient Counseling Document (PCD)

Patient Counseling Document on Extended-Release / Long-Acting Opioid Analgesics

**Patient Name:**

**The DOs and DON'Ts of Extended-Release / Long-Acting Opioid Analgesics**

**DO:**
- Read the **Medication Guide**
- Take your medicine exactly as prescribed
- Store your medicine away from children and in a safe place
- Flush unused medicine down the toilet
- Call your healthcare provider for medical advice about side effects. You may report side effects to FDA at 1-800-FDA-1088.

**Call 911 or your local emergency service right away if:**
- You take too much medicine
- You have trouble breathing, or shortness of breath
- A child has taken this medicine

**Talk to your healthcare provider:**
- If the dose you are taking does not control your pain
- About any side effects you may be having
- About all the medicines you take, including over-the-counter medicines, vitamins, and dietary supplements

**DON'T:**
- **Do not** give your medicine to others
- **Do not** take medicine unless it was prescribed for you
- **Do not** stop taking your medicine without talking to your healthcare provider
- **Do not** break, chew, crush, dissolve, or inject your medicine. If you cannot swallow your medicine whole, talk to your healthcare provider.
- **Do not** drink alcohol while taking this medicine

For additional information on your medicine go to: dailymed.nlm.nih.gov

**Patient Specific Information**

**Take this card with you every time you see your healthcare provider and tell him/her:**
- Your complete medical and family history, including any history of substance abuse or mental illness
- The cause, severity, and nature of your pain
- Your treatment goals
- All the medicines you take, including over-the-counter (non-prescription) medicines, vitamins, and dietary supplements
- Any side effects you may be having

**Take your opioid pain medicine exactly as prescribed by your healthcare provider.**
