

INSTRUCTIONS FOR COMPLETING THE PROGRAM SELF-ASSESSMENT AND VERIFICATION AUDIT FORM

STANDARD 6 – COMPLIANCE AND ENFORCEMENT

Program Self-Assessment and Verification Audit Form

The *Standard 6: Program Self-Assessment and Verification Audit Form* is designed to document the findings from the self-assessment and the verification audit process for Standard 6. The form is included at the end of these instructions. Whether one is performing a program self-assessment or conducting a verification audit, it is recommended that the form be available as a reference to the Standards 6 criteria.

Using the Program Self-Assessment and Verification Audit Form

Documenting the Findings from the Self Assessment

Jurisdictions conducting a self-assessment of Standard 6 must indicate on the form if each of the criteria is met. These responses are recorded under the column “Jurisdiction’s Self-Assessment.”

The self-assessor must review each Standard 6 criterion and determine if the jurisdiction’s source documents confirm that the Standard criteria are met. If the criteria are met, the self-assessor must place an “X” in the “YES” box under the “Jurisdiction’s Self-Assessment” column of the *Standard 6: Program Self-Assessment and Verification Audit Form*.

If a review of the jurisdiction’s source documents does not confirm that the Standard 6 criteria are met, the self-assessor must place an “X” in the “NO” box under the “Jurisdiction’s Self-Assessment” column of the *Standard 6: Program Self-Assessment and Verification Audit Form*. The self-assessor may specify why the criteria are not met in the box provided.

The self-assessor should review the findings on the *Standard 6: Program Self-Assessment and Verification Form* to ensure accuracy. The jurisdiction will be required to provide the auditor with their completed *Standard 6: Program Self-Assessment and Verification Audit Form* and any documents used to support and demonstrate that the Standard 6 criteria have been met.

Once all the Standard 6 criteria have been reviewed and the findings from the *Standard 6: Establishment File Worksheet* and the *Standard 6: Self-Assessment Summary Worksheet* documented on the form, the self-assessor must complete the Program Self-Assessment Summary section on page one of the *Standard 6: Program Self-Assessment and Verification Audit Form*. The self-assessor must:

- Enter their contact information;
- Document if the jurisdiction met the Standard 6 criteria in the appropriate boxes; and
- Sign the form where indicated.

It then will be up to the jurisdiction to determine its action plan and time frame for correcting any deficiencies in order to meet the Standard 6 criteria.

Documenting the Findings from the Verification Audit

The jurisdiction requesting the verification audit must provide their completed *Standard 6: Program Self-Assessment and Verification Audit Form* to the auditor for review. The auditor must indicate on the *Standard 6: Program Self-Assessment and Verification Audit Form* if the criteria were met.

If a review of the jurisdiction’s source documents confirms the self-assessment conclusion that the Standard criteria are met, the verification auditor places an “X” in the “YES” box under the “Auditor’s Verification” column of the form.

If a review of the jurisdiction’s source documents does not confirm the self-assessment conclusion that the Standard criteria are met, the verification auditor places an “X” in the “NO” box under the “Auditor’s Verification” column of the form. The verification auditor must specify why the criterion is not met in the box provided. Supplemental pages may be used to explain findings.

The verification auditor must discuss their findings with the program manager or their appointed representative and provide constructive feedback at the conclusion of the on-site visit. In particular, any Standard 6 criteria for which the auditor cannot confirm through a review of the self-assessment should be thoroughly discussed. Ample time should be allotted to ensure that there is a clear understanding of the reasons for the “non-conforming” finding. The auditor should be prepared to identify the elements required for the jurisdiction to meet the Standard.

Once the close out interview has been conducted, audit must complete the Verification Audit Summary section located on the first page of the *Standard 6: Program Self-Assessment and Verification Audit Form*. The auditor must:

- Enter their contact information;
- Document if the jurisdiction met the Standard 6 criteria in the appropriate boxes; and
- Sign the form where indicated.

It then will be up to the jurisdiction to determine its action plan and time frame for correcting any deficiencies in order to meet the Standard 6 criteria if the auditor does not confirm the self-assessment findings.
