

2009 Cosponsored Events

1. 1st Workshop of the Safety of Key Inhaled and Intravenous Drugs in Pediatric (SAFEKIDS) Initiative, Co-sponsored by: Food and Drug Administration and International Anesthesia Research Society.
2. 2nd FDA/Alliance for NanoHealth Scientific Workshop: Developing a Critical Path to Nano-Product Development, Co-sponsored by: Food and Drug Administration and University of Texas Health Science Center at Houston.
3. 3rd Annual FDA/Drug Information Association Statistics Forum, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
4. 5th Workshop in a Series on Pharmacogenomics: Generating and Weighing Evidence in Drug Development and Regulatory Decision Making, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
5. 13th Symposium on the Interface of Regulatory and Analytical Sciences for Biotechnology Health Products – WCBP 2009, Co-sponsored by: Center for Drug Evaluation and Research and CASSS.
6. A Communication Culture Summit of Brain-Friendly Food for Thought, Co-sponsored by: Office of Regulatory Affairs Chicago District and Washburne Culinary Institute Kennedy-King College, City Colleges of Chicago.
7. Atrial Fibrillation Ablation Registry ThinkTank Workshop, Co-sponsored by: Food and Drug Administration and Duke University.
8. AAPS Physical Pharmacy and Biopharmaceutics Section Workshop: Evolving Science and Technology in Physical Pharmacy and Biopharmaceutics, Co-sponsored by: Center for Drug Evaluation and Research and American Association of Pharmaceutical Scientists.
9. AAPS Workshop on Translational Biomarkers for Accelerating Drug Development: From Preclinical to Clinical, Co-sponsored by: Center for Drug Evaluation and Research and American Association of Pharmaceutical Scientists.
10. Accelerating Anticancer Agent Development and Validation Workshop, Co-sponsored by: Center for Drug Evaluation and Research and Duke Comprehensive Cancer Center, Duke University Medical Center, Duke University.
11. Annual Telemetric and Holter ECG Warehouse Meeting, Co-sponsored by: Food and Drug Administration and University of Rochester.
12. Applied Biopharmaceutics and Quality by Design for Dissolution/Release Specification Setting: Product Quality for Patient Benefit, Co-sponsored by: Center for Drug Evaluation and Research and Extension Service in Pharmacy, University of Wisconsin.
13. Cardiovascular Safety Assessments of Type 2 Diabetes Mellitus Medications: New Approaches to Development, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
14. Career Fair, Co-sponsored by: Food and Drug Administration, Montgomery Works and Prince Georges County Workforce Service.
15. Clinical Trials Course, Co-sponsored by: Food and Drug Administration, Clinical Trials Transformation Initiative and Duke Translational Medicine Institute, Duke University.

16. Computer Methods in Cardiovascular Device Design & Evaluation, Co-sponsored by: Center for Devices and Radiological Health, National Institutes of Health, National Science Foundation, Stanford University and Massachusetts Institute of Technology.
17. Contact Lens Microbiology Workshop, Co-sponsored by: Center for Devices and Radiological Health, American Academy of Ophthalmology, American Academy of Optometry, American Optometric Association and Contact Lens Association of Ophthalmologists.
18. Drug Information Association/FDA Assessing Benefits and Risks of Medicinal Products in Regulatory Decisions, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
19. Drug Information Association/FDA CDER/CBER Computational Science Annual Meeting, Co-sponsored by: Center for Drug Evaluation and Research, Center for Biologics Evaluation and Research and Drug Information Association.
20. Drug Information Association / FDA / PhRMA Modeling and Simulation in Drug Development: Quantitative Approaches for Decision Making, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
21. Drug Information Association/FDA/PhRMA/NCI Progression - Free Survival Oncology Workshop, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
22. Drugs and Devices: Promoting and Protecting Public Health through Risk Management and Product Cycle Improvement, Co-sponsored by: Office of Regulatory Affairs Chicago District and Association of Food and Drug Officials.
23. Emerging Areas of Cardiac Safety and Collaborative Solutions: On and Beyond QTc, Co-sponsored by: Food and Drug Administration and Duke University.
24. Facial Soft-Tissue Fillers Conference, Co-sponsored by: Center for Devices and Radiological Health, American Academy of Dermatology and American Society of Plastic Surgeons/Plastic Surgery Educational Foundation.
25. FDA/CDER-CHPA Seminar Series, Co-sponsored by: Center for Drug Evaluation and Research and Consumer Healthcare Products Association.
26. FDA/PENN Scientific Workshop on Analgesic Clinical Trials, Co-sponsored by: Food and Drug Administration and Trustees of the University of Pennsylvania.
27. Harmonization-By-Doing, Co-sponsored by: Center for Devices and Radiological Health, Duke University and Advanced Medical Technology Association.
28. Improving Endpoints, Improving Care: Alpha-1 Antitrypsin Augmentation Therapy and Clinical Trials, Co-sponsored by: Center for Biologics Evaluation and Research and Alpha-1 Foundation, Inc.
29. IVD Roundtable 501(k) Workshop, Co-sponsored by: Center for Devices and Radiological Health and Association of Medical Diagnostics Manufacturers.
30. Joint Public Meeting on Propylthiouracyl - Related Liver Toxicity, Co-sponsored by: Center for Drug Evaluation and Research and American Thyroid Association.
31. Light and Internal Tissues: Application, Basic Science and Future Directions, Co-sponsored by: Center for Devices and Radiological Health and American Society for Photobiology.
32. Protein Particles and Immunogenicity of Therapeutic Proteins: Filling in the Gaps in Risk Evaluation and Mitigation, Co-sponsored by: Center for Drug Evaluation and Research and International Association for Biologicals.
33. QT, Arrhythmia and CV Safety Issues in Drug Development, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
34. Quality by Design Topical Conference, Co-sponsored by: Center for Drug Evaluation and Research and American Institute of Chemical Engineers.

35. Regulatory Affairs: The Challenges of Ensuring Product Safety, Co-sponsored by: Office of Regulatory Affairs Los Angeles District and Orange County Regulatory Affairs Discussion Group.
36. Statistics and Medical Devices, Co-sponsored by: Center for Devices and Radiological Health and Advanced Medical Technology Association's Medical Technology Learning Institute.
37. The Essentials of FDA Device Regulations: A Primer for Manufactures and Suppliers, Co-sponsored by: Center for Devices and Radiological Health, Office of Regulatory Affairs (Southwest Import District, New Orleans District and San Juan District) and AdvaMed's Medical Technology Learning Institute.
38. Utilization of Process Modeling & Advanced Process Control in QbD based Drug Development and Manufacturing, Co-sponsored by: Center for Drug Evaluation and Research and American Association of Pharmaceutical Scientists.
39. Workshop on Clinical Trials Endpoints for Acute Graft-vs-Host Disease, Co-sponsored by: Center for Biologics Evaluation and Research, Center for International Blood and Marrow Transplant Research, Medical College of Wisconsin and American Society for Blood and Marrow Transplantation.
40. Workshop on Hospital-Acquired Pneumonia and Ventilator-Associated Pneumonia, Co-sponsored by: Center for Drug Evaluation and Research, Infectious Disease Society of America, American College of Chest Physicians, Society of Critical Care Medicine and American Thoracic Society.
41. Workshop on Special Dosage Forms - What's New with In Vitro Drug Release?, Co-sponsored by: Center for Drug Evaluation and Research, American Association of Pharmaceutical Scientists and International Pharmaceutical Federation.
