

2008 Cosponsored Events

1. 8th Annual Somatic Cell Therapy Symposium: Regulatory Issues for Engineering Cell Therapies, Co-sponsored by: Center for Biologics Evaluation and Research and International Society for Cellular Therapy.
2. 11th Annual FDA-Orange County Regulatory Affairs Educational Conference - Regulatory Affairs: Expanding to Global Horizons, Co-sponsored by: Office of Regulatory Affairs and Orange County Regulatory Affairs Discussion Group.
3. A Predictive Biosimulation Approach to Drug-Induced Liver Injury, Co-sponsored by: Food and Drug Administration and Entelos, Inc.
4. AAPS Workshop on the Role of Dissolution in QbD and Drug Product Life Cycle, Co-sponsored by: Center for Drug Evaluation and Research and American Association of Pharmaceutical Scientists.
5. AAPS Workshop to Discuss Design, Endpoints and Analyses to Discern Symptomatic and Disease Modifying Drug Effects for the Treatment of Parkinson's Disease, Co-sponsored by: Center for Drug Evaluation and Research, American Association of Pharmaceutical Scientists and The Michael J. Fox Foundation for Parkinson's Research.
6. Abbreviated New Drug Application Review and Process Improvements Updates, Co-sponsored by: Center for Drug Evaluation and Research and University of Rhode Island.
7. Accelerating Anticancer Agent (AAA) Development and Validation Workshop, Co-sponsored by: Center for Drug Evaluation and Research and Duke Comprehensive Cancer Center.
8. Computer Methods in Cardiovascular Device Design and Evaluation Workshop, Co-sponsored by: Center for Devices and Radiological Health, National Institutes of Health, National Science Foundation and Stanford University.
9. Coronary Drug-Eluting Stent Guidance Document Workshop, Co-sponsored by: Center for Devices and Radiological Health and Advanced Medical Technology Association.
10. Drug Information Association/FDA/PhRMA Drug Safety Conference: Planning the Lifecycle of Safety Evaluation, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
11. Emerging Regulatory Issues in Genomics Medicine, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
12. FDA Clinical Trial Requirements, Co-sponsored by: Office of Regulatory Affairs and Society of Clinical Research Associates, Inc..
13. FDA /Columbia Scientific Workshop on Pediatric Anesthesia-Induced Neurotoxicity, Co-sponsored by: Food and Drug Administration and Columbia University.
14. FDA/C-PATH Scientific Workshop on the Patient Reported Outcome Consortium, Co-sponsored by: Food and Drug Administration and Critical Path Institute.
15. FDA Critical Path Initiative on the Move: Complexities and Challenges, Co-sponsored by: Food and Drug Administration and Drug Information Association.
16. FDA-Drug Information Association Critical Path Transporter Workshop 2008, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.

17. FDA/RSNA/SNM Scientific Workshop: Best Practices and Pitfalls to Avoid in Order to Accelerate the Safe Supply of Investigational Pet Radiopharmaceuticals for Multicenter Clinical Trials, Co-sponsored by: Food and Drug Administration, Radiological Society of North America and Society of Nuclear Medicine.
18. Food and Labeling Workshop, Co-sponsored by: Office of Regulatory Affairs and University of Arkansas.
19. Food Protection Workshop, Co-sponsored by: Office of Regulatory Affairs and University of Arkansas.
20. Forum on Component Reliability for Medical Electronics, Co-sponsored by: Center for Devices and Radiological Health and International Electronics Manufacturing Initiative.
21. ISPE Washington Conference FDA-ISPE Collaboration: Regulatory Trends and Industry Insights, Co-sponsored by: Center for Drug Evaluation and Research and International Society for Pharmaceutical Engineering.
22. Issues and Controversies in Drug-Induced Liver Injury, Co-sponsored by: Center for Drug Evaluation and Research, American Association for the Study of Liver Diseases and Pharmaceutical Research and Manufacturers Association.
23. Medical Imaging Continuum: Path Forward for Advancing the Uses of Medical Imaging in the Development of New Biopharmaceutical Products, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association.
24. Oligonucleotides Based Therapeutics Conference, Co-sponsored by: Center for Drug Evaluation and Research, Drug Information Association, Oligonucleotide Therapeutic Society, Inc., Health Canada and American Association of Pharmaceutical Scientists.
25. PDA/FDA Joint Regulatory Conference, Co-sponsored by: Center for Drug Evaluation and Research, Center for Biological Evaluation and Research, Center for Devices and Radiological Health, Office of Regulatory Affairs and Parenteral Drug Association.
26. PDA / FDA Pharmaceutical Ingredient Supply Chain Conference, Co-sponsored by: Center for Drug Evaluation and Research and Parenteral Drug Association.
27. Seminar Series on Light Device Uses in Dentistry, Co-sponsored by: Center for Devices and Radiological Health and Academy of Laser Dentistry.
28. Sentinel Initiative Workshop, Co-sponsored by: Food and Drug Administration and eHealth Initiative Foundation.
29. Sex/Gender Differences in Cardiovascular Devices Trials Workshop, Co-sponsored by: Center for Devices and Radiological Health and Advanced Medical Technology Association.
30. Statistics and Medical Devices Conference, Co-sponsored by: Center for Devices and Radiological Health and Advanced Medical Technology Association's Medical Technology Learning Institute.
31. The Essentials of FDA Device Regulations: A Primer for Manufacturers and Suppliers, Co-sponsored by: Office of Regulatory Affairs, Center for Devices and Radiological Health and Advanced Medical Technology Association's Medical Technology Learning Institute.
32. Towards an Artificial Pancreas: An FDA-NIH-JDRF Workshop, Co-sponsored by: Center for Devices and Radiological Health, National Institutes of Health and Juvenile Diabetes Research Foundation.
