

## 2014 Co-Sponsored Events

The following is a list of FDA cosponsored events that took place in 2014 – including workshops, symposia, conferences, and training courses.

1. 1<sup>st</sup> Annual Neonatal Scientific Workshop, Co-sponsored by: Center for Drug Evaluation and Research and Critical Path Institute (C-Path).
2. 2<sup>nd</sup> Annual FDA/UGA Medical Device Conference, Co-sponsored by: University of Georgia College of Pharmacy and Food and Drug Administration, Atlanta District.
3. 2<sup>nd</sup> Annual Multiple Sclerosis Outcome Assessments Consortium (MSOAC) Workshop, Co-sponsored by : Center for Drug Evaluation and Research and Critical Path Institute (C-Path).
4. 3<sup>rd</sup> Scientific Workshop Analgesic, Anesthetic, and Addiction Clinical Trial Translations, Innovations, Opportunities, and Networks (ACTION) Initiative, Co-sponsored by: Food and Drug Administration and University of Rochester.
5. 3<sup>rd</sup> SmartTots Scientific Workshop For The Pediatric Anesthesia Safety Initiative (PASI), Co-sponsored by: Food and Drug Administration and International Anesthesia Research Society (IARS).
6. 5<sup>th</sup> Annual Coalition Against Major Diseases (CAMD)/ FDA Scientific Workshop, Co-sponsored by: Center for Drug Evaluation and Research and Critical Path Institute (C-Path).
7. 5<sup>th</sup> Annual Patient-Reported Outcome (PRO) Consortium Workshop, Co-sponsored by: Center for Drug Evaluation and Research and Critical Path Institute (C-Path).
8. 8<sup>th</sup> Annual FDA/DIA Statistics Forum, Co-sponsored by: Center for Drug Evaluation and Research and Drug Information Association (DIA).
9. 18<sup>th</sup> Symposium on the Interface of Regulatory and Analytical Sciences for Biotechnology Health Products- “WCBP 2014”, Co-sponsored by: Center for Drug Evaluation and Research and CASSS®.

10. 118<sup>th</sup> Association of Food and Drug Officials Annual Educational Conference, Co-sponsored by: Association of Food and Drug Officials and Food and Drug Administration, Denver District Office.
11. American Glaucoma Society /Food and Drug-Administration Workshop Supporting Innovation for Safe and Effective Minimally Invasive Glaucoma Surgery, Co-sponsored by: Center for Devices and Radiological Health and American Glaucoma Society.
12. Biofilms, Medical Devices and Anti-Biofilm Technology-Challenges and Opportunities Workshop, Co-sponsored by: Center for Devices and Radiological Health and Montana State University, Center of Biofilm Engineering.
13. Clinical Investigator Training, Co-sponsored by: Center for Drug Evaluation and Research and Duke University.
14. DCDISC Workshop, Co-sponsored by: Center for Drug Evaluation and Research and Clinical Data Interchange Standards Consortium (CDISC), User Network for the Washington, D. C. Area (DCDISC).
15. Developing and Using Precision Therapies in the “Omics” Era: Generating and Interpreting Evidence for Rare Subsets Workshop, Co-sponsored by: Center for Drug Evaluation and Research and The Rector and Visitors of the University of Virginia.
16. Drug Discovery and Development Symposium for Pulmonary Hypertension, Co-sponsored by: Center for Drug Evaluation and Research and Pulmonary Vascular Research Institute (PVR).
17. FDA Clinical Trial Requirements, Co-sponsored by: Office of Regulatory Affairs and Society of Clinical Research Associates, Inc.
18. FDA Device Requirements, Co-sponsored by: Food and Drug Administration and Xavier University.
19. FDA UMD CERSI Conference Series, Co-sponsored by: Food and Drug Administration and University of Maryland, University of Maryland Center of Excellence in Regulatory Sciences and Innovation.
20. FDA/ILSI HESI Immunomodulators and Cancer Risk Assessment Workshop, Center for Drug Evaluation and Research and Health and Environmental Sciences Institute (HESI).
21. FDA/SoCRA Clinical Trials Seminar, Co-sponsored by: Food and Drug Administration, Florida District Office and Society of Clinical Research Associates, Inc.

22. FDA/Xavier University Pharmalink Conference Co-sponsored by: Food and Drug Administration and Xavier University.
23. Immunological Effects of Enzyme Replacement Therapy: Role of Immunoprophylaxis, Co-sponsored by: Food and Drug Administration (FDA), Department of Health and Human Services and National Organization for Rare Disorders (NORD).
24. IVD Roundtable Submissions Workshop, Co-sponsored by: Center for Devices and Radiological Health (CDRH) and Association of Medical Diagnostics Manufacturers.
25. Medical Devices-The Case for Quality, Co-sponsored by: Food and Drug Administration and Medical Device Industry Coalition, Inc.
26. Predicting Serious Drug-Induced Liver Injury in Patients; Who Gets It? Who Doesn't? Why"?, Co-sponsored by: Center for Drug Evaluation and Research (CDER), Critical Path Institute (C-PATH) and Pharmaceutical Research and Manufacturers Association (PhRMA).
27. Predictive Safety Testing Consortium (PSTC) Fifth Annual Scientific Workshop, Co-sponsored by: Office of Translational Sciences, Center for Drug Evaluation and Research and Critical Path Institute (C-Path).
