**ATTN: TEMPORARY BACKORDER OF NYMALIZE® (NIMODIPINE) ORAL SOLUTION**

Dear Valued Arbor Customer:

Nymalize® (nimodipine) Oral Solution 60mg/20mL will be on backorder for both the **Nymalize Bottles (NDC# 24338-200-16)** and the **Unit Dose Cups (NDC# 24338-200 12)**. It is important to note that this backorder situation is temporary and should not impact the future supply of this important pharmaceutical product.

During this backorder period, drop ship orders can continue to be placed through your wholesaler and can be held for immediate processing and fulfillment once the backorder is resolved. In addition, we will be proactively communicating updates on estimated release dates through our supply chain/ drop ship partner for those customers that wish to be kept informed during this period.

We apologize for the inconvenience that this presents to your pharmacy operations and will continue to keep you updated on the availability of Nymalize. Rest assured we will immediately ship all orders once product is available.

**Temporarily on Backorder:**

**Nymalize® (nimodipine) Oral Solution, 16 oz. bottle (473mL)**

NDC# 24338-200-16

**Nymalize® (nimodipine) Oral Solution 60mg/20mL Unit Dose Cups (12 cups/carton)**

NDC# 24338-200-12

If you have any questions concerning the backorder, please call our supply chain/ drop ship partner, Safecor Health, at 1-800-447-1006 x 3117 or option 4. Thank you in advance for your patience.

Best Regards,
