

**SUPPLEMENT APPROVAL**

Our STN: BL **103837/5626**

Novartis Vaccines & Diagnostics Limited  
Attention: Matthew Gollwitzer  
350 Massachusetts Avenue  
Cambridge, MA 02139

July 2, 2015

Dear Mr. Gollwitzer:

We have approved your request to supplement your biologics license application for Influenza Vaccine (Fluvirin<sup>®</sup>), manufactured at your Speke, Liverpool facility in the United Kingdom to include the 2015-2016 United States formulation and corresponding labeling.

Please provide your final content of labeling in Structured Product Labeling (SPL) format and include the carton and container labels. In addition, please submit three original paper copies for carton and container final printed labeling. All final labeling should be submitted as Product Correspondence to this BLA at the time of use (prior to marketing) and include implementation information on FDA Form 356h.

In addition, please submit the final content of labeling (21 CFR 601.14) in SPL format via the FDA automated drug registration and listing system, (eLIST), as described at <http://www.fda.gov/ForIndustry/DataStandards/StructuredProductLabeling/default.htm>. Information on submitting SPL files using eLIST may be found in the guidance for industry titled, "SPL Standard for Content of Labeling Technical Qs and As at <http://www.fda.gov/downloads/Drugs/GuidanceComplianceRegulatoryInformation/Guidances/UCM072392.pdf>.

You may submit two draft copies of the proposed introductory advertising and promotional labeling with an FDA Form 2253 to the Advertising and Promotional Labeling Branch at the following address:

Food and Drug Administration  
Center for Biologics Evaluation and Research  
Document Control Center  
10903 New Hampshire Ave.  
WO71-G112  
Silver Spring, MD 20993-0002

You must submit copies of your final advertisement and promotional labeling at the time of initial dissemination or publication, accompanied by Form FDA 2253 (21 CFR 601.12(f)(4)).

All promotional claims must be consistent with and not contrary to approved labeling. You should not make a comparative promotional claim or claim of superiority over other products unless you have substantial evidence or substantial clinical experience to support such claims (21 CFR 202.1(e)(6)).

Please submit an amendment to all pending supplemental applications for this BLA that include revised labeling incorporating a revised content of labeling that includes [this/these] change(s).

We will include the information contained in the above referenced supplement in your Biologics License Application file.

Sincerely yours,

Jerry P. Weir, Ph.D.  
Director  
Division of Viral Products  
Office of Vaccines  
Research and Review  
Center for Biologics  
Evaluation and Research

Attachment: Approved Final Draft Labeling
