Re: Colorado and the Veterinary-Client-Patient Relationship

Dear Dr. Dunham,

On August 20, 2015, the Colorado State Board of Veterinary Medicine reviewed your June 11, 2015 letter regarding the FDA Veterinary Feed Directive Final Rule. In Colorado, the Veterinary-Client-Patient Relationship (VCPR) is defined both in the Practice Act, and the Rules. Please review § 12-64-103(15.5), C.R.S., and Rule III.A.7.

The Practice Act and the Rules are available on our website at [www.DORA.Colorado.gov/Professions/Veterinarians](http://www.DORA.Colorado.gov/Professions/Veterinarians).

If you have any questions, please contact us at [DORA\\_VeterinaryMedicineBoard@state.co.us](mailto:DORA_VeterinaryMedicineBoard@state.co.us).
