Dear Dr. Dunham,

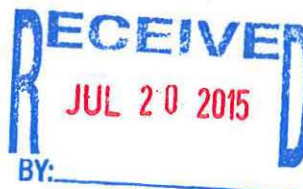

Thank you for reaching out regarding VFD regulations in our state. I have reviewed our state's Veterinary Practice Act looking for any reference to veterinary-feed directives or veterinary-client-patient relationship (VCPR). I have found none.

The only possible section of relevance to this matter is: it is considered unprofessional conduct to prescribe medicine without examining the animal(s) within a period of one year.

Please let me know if I may be of further assistance.

Sincerely,

Roberta A. Jackson, VMD
