Ingredients

Each ingredient must be named in accordance with the names and definitions adopted by the Association of American Feed Control Officials (AAFCO).

Feeding Directions

Feed medicated feed as the sole ration for 5 consecutive days to swine to deliver 10 mg florfenicol per kg body weight per day.

Caution

Feed containing florfenicol shall not be fed to pigs for more than 5 days. Following administration, pigs should be reevaluated by a licensed veterinarian before reinitiating a further course of therapy. The expiration date for VFD for Nuflor® (florfenicol) must not exceed 90 days from the date of issuance. VFD for Nuflor® (florfenicol) shall not be refilled. The effects of florfenicol on swine reproductive performance, pregnancy, and lactation have not been determined.

Storage Conditions: Store in a cool, dry place. Avoid excessive moisture and heat.

Manufactured By: Bluebird Feed Mill, Robin, IN 46813
NET WEIGHT 20 lbs (9.1 kg)

Expiration Date: _____
