

David K. Yoo

EMPLOYMENT/TITLES

7/2012 - Present Associate Professor - Ophthalmology
Loyola University Medical Center

7/2017 - 6/2018 Associate Residency Program Director - Ophthalmology
Loyola University Medical Center
Edward Hines Veterans Administration

7/2008 - 6/2017 Residency Program Director - Ophthalmology
Loyola University Medical Center
Edward Hines Veterans Administration

7/2006 - 6/2012 Assistant Professor - Ophthalmology
Loyola University Medical Center

7/2006 - Present Director - Ophthalmic Plastic, Reconstructive, and Orbital
Surgery

10/2011 - 6/2017 Director - Inpatient Ophthalmology Consultation Service

10/2006 - Present Edward Hines Veterans Administration
Surgery Service, Ophthalmology

EDUCATION

7/2005 - 6/2006 Ophthalmic Plastic, Reconstructive, and Orbital Surgery Fellow
Henry Ford Health System
Detroit, MI

7/2002 - 6/2005 Ophthalmology Resident
McGaw Northwestern Memorial Hospital : Feinberg School of
Medicine at Northwestern University; Chicago, IL

6/2001 - 6/2002 Preliminary Intern – Internal Medicine
McGaw Evanston Northwestern Healthcare : Feinberg School of
Medicine at Northwestern University; Evanston, IL

8/1997 - 6/2001 Medical Doctorate
The Feinberg School of Medicine at Northwestern University;
Chicago, IL

9/1994 - 6/1997 Bachelors of Science : Communication Sciences and Disorders
Northwestern University; Evanston, IL

Grants

2018 - Illinois Society for the Prevention of Blindness : "Effect of Eyelid Malposition Surgery of Subjective and Objective Measures of Meibomian Gland Disease and Dry Eye." (Co-investigator); \$1150

2014 – Illinois Society for the Prevention of Blindness : "The Use of Chlorpromazine injection for Post-operative Pain Control after Enucleation and Evisceration." (Co-investigator); \$675

2013 – Illinois Society for the Prevention of Blindness : "Selective Uptake of Vital Stains in the Orbital Tissues : Nerve, Muscle, and Adipose." (Co-investigator); \$3125

2011 - Illinois Society for the Prevention of Blindness : "Use of the Omentum in Engineering in vivo Levator Palpebrae Superioris : Feasibility and Potential Uses." (Co-investigator); \$3200

2010 - Illinois Society for the Prevention of Blindness : "Topical Timolol for the Treatment of Benign Vascular Periocular Lesions." (Co-Investigator); \$3965

2003 - Illinois Society for the Prevention of Blindness : "The Effect of Anti-viral Compounds on Herpes Simplex-1 Infected Corneal Epithelial Cells. (Primary Investigator); ~\$2500

AWARDS

2016	Loyola Service Award, 10 years
2012	Loyola Service Award, 5 years
2008	Loyola Magis Award
6/2005	Mark E. Lovett Award in Ophthalmology Northwestern University

COMMITTEES

Institutional – Loyola 7/2018 - present	Stritch School of Medicine Committee on Admissions : Review Subcommittee
3/2018 - present	Loyola Center for Health Outcomes and Informatics Research : Faculty appointment
11/2017 - present	Ophthalmology Faculty Ambassador to the Stritch School of Medicine
8/2014 - present	Institute for Transformative Interprofessional Education : Ambassador
12/2014 - present	Clinical Competency Committee, Ophthalmology
7/2008 - present	Graduate Medical Education Committee
7/2008 - 6/2017	Ophthalmology Resident Education Committee
12/2008 - 12/2012	OR/PAR Committee
1/2009 - 12/2011	Perioperative Work Flow, Intraoperative Workgroup
7/2010 - 11/2013	Physician Material Management Work Group

LECTURES/PANELS

8/2018	Ocular Manifestations of Systemic Disease and Systemic Manifestations of Ocular Disease (Adults & Peds) Current Concepts in Eye Care (Optometry) Loyola University Medical Center
--------	---

4/2018	Thyroid Eye Disease Department of Endocrinology Grand Rounds Loyola University Medical Center
1/2018	Wetlab Proctor Annual Orbital Anatomy and Dissection Course University of Chicago
12/2017	Wetlab Proctor - Trauma Loyola Ophthalmology 6th Annual Resident Microsurgery Wetlab
9/2017	UIC Orbit rounds University of Illinois at Chicago
5/2017	The Frontalis Sling; Direct Brow Lift; Eyelid Retraction The Inaugural Allen M. Putterman, MD Oculoplastics Symposium University of Illinois at Chicago
4/2017	Graves Update Illinois Society of Eye Physicians and Surgeons / Chicago Ophthalmological Society - 2017 Joint Conference
3/2017	Orbit : Making the Complex Simple and Updates The Egyptian Society for Continuous Ophthalmic Education Cairo University : Cairo, Egypt
1/2017	Thyroid Eye Disease; Drooping Eyelids Chicago-wide lectures to ophthalmology residents Chicago Curriculum in Ophthalmology
10/2016	Orbital Trauma/Blepharoplasty Department of Oral and Maxillofacial Surgery Grand Rounds Loyola University Medical Center
9/2016	Patient safety case presentation with resident Chicago Ophthalmological Society – Oculoplastics
3/2016	Lunch with the experts : Oculoplastics Illinois Society of Eye Physicians and Surgeons / Chicago Ophthalmological Society - 2016 Joint Conference
12/2015	Wetlab Proctor - Trauma Loyola Ophthalmology 4th Annual Resident Microsurgery Wetlab
10/2015	Lid and Orbital Trauma : Causes, Workup, Indications for Treatment, Treatment, and Surgical Procedures Lecture to residents Department of Ophthalmology, Northwestern University
10/2015	Surgical Management of Ocular Trauma Panel - Ophthalmic Trauma in the Emergency Room, in the Operating Room, and on the Battlefield 2015 Clinical Congress - American College of Surgeons
2/2015	Bell's Palsy and Facial Paralysis Grand Rounds for Primary Care Physicians Gottlieb Memorial Hospital

1/2015	Update on Thyroid Eye Disease Department of Endocrinology Grand Rounds Loyola University Medical Center
1/2015	Update on Thyroid Eye Disease Third Annual Rush Orbital Anatomy & Dissection Course Rush University Medical Center
4/2014	The Ptosis Patient Department of Plastic Surgery Grand Rounds Loyola University Medical Center
1/2014	Wetlab Proctor Second Annual Rush Orbital Anatomy & Dissection Course Rush University Medical Center
1/2014	Periorbital/Orbital Infectious and Inflammatory Conditions Preparing for Orbital Surgery Chicago-wide lecture to ophthalmology residents Chicago Curriculum in Ophthalmology
1/2014	Management of Eyelid Abnormalities Current Concepts in Eye Care (Optometry) Loyola University Medical Center
1/2013	Updates on Systemic Disease and the Eye – Thyroid Eye Disease Current Concepts in Eye Care (Optometry) Loyola University Medical Center
1/2013	Surgical Approaches to the Orbit Wetlab Proctor First Annual Rush Orbital Anatomy & Dissection Course Rush University Medical Center
5/2012	Eyelid and Orbital Trauma Association of Operating Room Nurses, Meadowood Chapter
3/2012	Ocular Evisceration and Enucleation : Decision Making and Management The Society of Ophthalmic Medical Assistants in Chicago and the Ophthalmic Photographers' Society, Chicago Chapter
11/2011	Orbital Trauma and Fractures/Eyelid Reconstruction Department of Plastic Surgery Grand Rounds Loyola University Medical Center
9/2011	Enucleations and Eviscerations Ambulatory Surgical Center - Nursing Staff Loyola University Medical Center
9/2011	Imaging, Orbital Tumors, and Trauma Chicago-wide lecture to ophthalmology residents Chicago Curriculum in Ophthalmology

8/2011	Age-defying Eye Treatments Community Education Presentation Loyola at Burr Ridge, Co-presenter
1/2011	A Web-based Ophthalmic Pathology Course Using Virtual Microscopy Slides (Online Ophthalmic Pathology Educational Tool) 2011 Educating the Educators Meeting Association of University Professors of Ophthalmology
10/2010	Issues in Patients with Periocular and Ocular Burns 2010 Annual Meeting, Co-presenter Joint Commission on Allied Health Personnel in Ophthalmology
10/2010	Pediatric and adult orbital tumors case presentations with resident Chicago Ophthalmological Society – Oculoplastics
5/2010	Orbital trauma case presentations Clínica Oftalmológica - Dr. Rudy Gutierrez Diaz Guatemala City, Guatemala
3/2010	Tearing patient case presentations with resident Chicago Ophthalmological Society – Oculoplastics
3/2010	Thyroid Ophthalmopathy Panel Discussant Department of Endocrinology Grand Rounds Loyola University Medical Center
11/2009	Infection and Inflammation of the Lids and Orbit Current Concepts in Eye Care (Optometry) Loyola University Medical Center
2/2008	Oculoplastics Panel Discussant Chicago Ophthalmological Society/Illinois Association of Ophthalmology Annual Meeting
12/2007	Thyroid/Graves' Orbitopathy Department of Endocrinology Grand Rounds Loyola University Medical Center
10/2007	Young Ophthalmologist Panel for Northwestern University Ophthalmology Residency
9/2007	Lacrimal System Injuries Department of Oral and Maxillofacial Surgery Grand Rounds Loyola University Medical Center
10/2006 - present	Ongoing lectures/Grand Rounds in ophthalmic plastic and reconstructive surgery to ophthalmology residents
