

SUPPLEMENT APPROVAL

Our STN: BL **125108/811**

Merck Sharp & Dohme Corp.
Attention: Donna Zacholski
P.O. Box 1000, UG2D-68
North Wales, PA 19454-1099

October 22, 2015

Dear Ms. Zacholski:

We have approved your request to supplement your biologics license application for Measles, Mumps, Rubella and Varicella Virus Vaccine Live (PROQUAD®) manufactured in your West Point, PA facility, to update the product labeling to include changes to the Adverse Reactions section of the package insert regarding the incidence rates of encephalitis, encephalopathy and neurological disorders and to revise the text on severely immunocompromised individuals. Under this approval, we are approving these revisions in the package inserts for all formulations of PROQUAD®) to include the frozen formulation manufactured with human serum albumin, the frozen formulation manufactured with recombinant human serum albumin, and the refrigerated formulation manufactured with recombinant human serum albumin.

Please provide your final content of labeling in Structured Product Labeling (SPL) format and include the carton and container labels. In addition, please submit three original paper copies for carton and container final printed labeling. All final labeling should be submitted as Product Correspondence to this BLA at the time of use (prior to marketing) and include implementation information on FDA Form 356h.

In addition, please submit the final content of labeling (21 CFR 601.14) in SPL format via the FDA automated drug registration and listing system, (eLIST), as described at: <http://www.fda.gov/ForIndustry/DataStandards/StructuredProductLabeling/default.htm>. Information on submitting SPL files using eLIST may be found in the guidance for industry titled, "SPL Standard for Content of Labeling Technical Qs and As at: <http://www.fda.gov/downloads/Drugs/GuidanceComplianceRegulatoryInformation/Guidances/UCM072392.pdf>.

You may submit two draft copies of the proposed introductory advertising and promotional labeling with an FDA Form 2253 to the Advertising and Promotional Labeling Branch at the following address:

Food and Drug Administration
Center for Biologics Evaluation and Research
Document Control Center
10903 New Hampshire Ave.
WO71-G112
Silver Spring, MD 20993-0002

You must submit copies of your final advertisement and promotional labeling at the time of initial dissemination or publication, accompanied by Form FDA 2253 (21 CFR 601.12(f)(4)).

All promotional claims must be consistent with and not contrary to approved labeling. You should not make a comparative promotional claim or claim of superiority over other products unless you have substantial evidence or substantial clinical experience to support such claims (21 CFR 202.1(e)(6)).

Please submit an amendment to all pending supplemental applications for this BLA that include revised labeling incorporating a revised content of labeling that includes these changes.

We will include information contained in the above-referenced supplement in your biologics license application file.

Sincerely yours,

Wellington Sun, MD
Director
Division of Vaccines and
Related Products Applications
Office of Vaccines
