Dear [Redacted]-

Thank you for your question. I just tried to access the continuation page for section 3 of the 1572 form and it worked for me. I accessed the form at the following web link:

<http://www.fda.gov/downloads/aboutfda/reportsmanualsforms/forms/ucm074728.pdf>

First, I saved the form as a PDF file to my desktop. I found that I had to fill in section 3 with information for the first site and then I clicked on the yellow box link called "*Continuation Page for Item 3*" and it took me to the continuation page. When you click on the continuation page link, the continuation page appears at the END of the document.

If you continue to have issues with the form, you may need to try to open it in another browser.

I hope this information is useful. If you need further information and/or have additional questions, please feel free to contact us at the official GCP mailbox, [gcp.questions@fda.hhs.gov](mailto:gcp.questions@fda.hhs.gov). You may also find it useful to access the set of redacted GCP e-mails found at <http://www.fda.gov/ScienceResearch/SpecialTopics/RunningClinicalTrials/RepliestoInquiriesToFDAonGoodClinicalPractice/default.htm> since we find that many questions and concerns are repeated over time.

Best Regards,

I need to use a continuation page for item 3 for the Form FDA 1572, however, I can't seem to access that page. Is there a way to add a continuation page to the Form FDA 1572 from your website?  
Thank you.
