Good morning,

Thank you for your question. I just tried to access the continuation pages for the 1572 form and it worked for me. I accessed the form at the following web link:

<http://www.fda.gov/downloads/aboutfda/reportsmanualsforms/forms/ucm074728.pdf>

First, I suggest that you ensure you have the most updated version of Adobe Reader. I also suggest you save the form as a PDF file to your desktop. You should fill in the particular section with information and then click on the Continuation Page link which should take you to the continuation page. When you click on the continuation page link, the continuation page appears at the END of the document.

If you continue to have issues with the form, you may need to try to open it in another browser. If that does not work, I suggest that you reach out to the appropriate contact for the Form FDA 1572 at [CBER MATT](mailto:CBER.MATT@fda.hhs.gov) at 301-827-2000 or [CDER Drug Info](mailto:CDER.Drug.Info@fda.hhs.gov) at 301-796-3400.

I hope this information is helpful. Please contact us again at gcp.questions@fda.hhs.gov should you have additional questions.

Dear Team,

I wanted to ask one query regarding the Form FDA 1572.

I am not able to know where exactly the continuation page comes and how to fill it.

When I am clicking on it nothing is able to come up.

Request you to please help me how to fill up the continuation page and how it comes because it's not appearing in our system.

Is it that we have to use an institute letter head as a continuation page and send it across as a continuation page.

Thank you.
