Name: Neil M. Bressler, M.D.

Committee: Ophthalmic Devices Panel of FDA's Medical Devices
Advisory Committee

Meeting Date: July 14, 2006

I acknowledge that contingent upon public disclosure of the following financial interests submitted on my FDA Form 3410 and related to the agenda item: a premarket approval application (PMA) for an implantable miniature telescope (IMT), indicated for use in patients with bilateral, stable macular degeneration and other bilateral, stable untreatable central vision disorders, I am eligible to receive a particular matter waiver under 18 U.S.C. §208.

| Type of Interest | Involvement | Magnitude |
|-------------------------|---|---|
| Grant | SGE's institution involved in sponsor's product study; SGE is not involved in data generation or analysis | Total amount of funding for institution's grant is less than \$100,000. |

I hereby request that FDA make this information publicly available on my behalf at the start of the advisory committee meeting for which it is issued by reading the statement into the record at the time for the meeting. I understand that without public disclosure of the interests, the waiver is not valid.
