Subject: Registration for Public Meeting on bar codes

Elizabeth,

I'd like to register myself to attend the Public Meeting on Bar Code Labeling Requirements for Human Drug Products. I understand that the meeting will be held on July 26 from 9 a.m. to 5 p.m. at the Natcher Auditorium, Building 45 at the National Institute of Health in Bethesda. If any of my information is incorrect, please reply back with corrections. Thank you.
