September 10, 2001

Dear Sir or Madam:

This letter will serve as a 30 day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on the Calcium Lactate 650 mg (10GR) supplement under the Major brand name.

- Plays a role in maintaining bone health.
- Bone health can be dependant on many factors including heredity, diet, exercise and lifestyle.
- Calcium is the primary mineral responsible for strong bones.
- The body also uses Calcium for proper muscle contraction and nerve function and obtains this Calcium mainly from the bones.
- Because the body cannot produce Calcium, a balanced diet, regular exercise, healthy lifestyle choices and adequate intake of Calcium can play a role in maintaining optimal bone health.
- Calcium also plays a role in muscle contractions and nerve impulses.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Ona Scandurra, MS, RD
Director of Nutrition Communications
