Re: FDA "Request for Comments on First Amendment Issues," Docket No. 02N-0209

Dear Sir/Madam:

On behalf of the Johnson & Johnson Family of Companies, I respectfully request that FDA extend the comment period to September 30 for submission of initial comments. The questions set forth in the notice are both challenging and complex, and deserve careful thought. For myself, I would like to confer broadly among my colleagues in the Law Department and among my business clients and that will take time. Summer vacations only add to the difficulty.

I appreciate your consideration.

Very truly yours,

Kathy Schroeher
Associate General Counsel
