To Whom It May Concern:

Nature's Way Products, Inc. wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is BoneSoy. The dietary ingredient that is the subject of the statement is Soy Isoflavones. The statement reads as follows:

"BoneSoy™ Optima is the clinical strength formula for building and retaining bone. BoneSoy provides 90 mg of Soy Isoflavones, (from non-GMO soybeans), the actual clinical dose proven to maintain bone density."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

The information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURE'S WAY PRODUCTS, INC.

Gordon M. Walker
