Re: Registration for Speaking Attendees

Dear Ms. Gross:

I am writing in response to the June 18, 2002 notice in the Federal Register concerning "Bar Code Label Requirements for Human Drug Products; Notice of Public Meeting" and requesting that I be registered as a speaking attendee for the public meeting schedule for July 26, 2002 from 9AM to 5PM.

As the Director of Pharmacy for Johns Hopkins Hospital I believe I can offer insight concerning the value of bar code labeling in the hospital or acute care environment which is consistent with the background information provided from the 1999 Institute of Medicine (IOM) report.

I will be out of the country visiting my Peace Corp volunteer son in Honduras from June 21 to July 1. Upon my return I will be happy to provide a short summary of my presentation and remarks as requested.

Thank you for your consideration.

Kindest regards,

Daniel Ashby
