RE: Notification of Nutritional Support Statements

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Promilin™ Fenugreek Extract, a dietary supplement. Source Naturals® is the manufacturer of Promilin™ Fenugreek Extract.

Statements being made in the labeling of Promilin™ Fenugreek Extract

- 1) Source Naturals Promilin™ Fenugreek Extract combines two potent extracts, one, a patent pending extract called Promilin™, is standardized to contain 20% 4-hydroxyisoleucine, the other is rich in galactomannan fibers.
- 2) Research suggests that both 4-hydroxyisoleucine and galactomannan fibers help support healthy blood sugar and insulin levels when used as part of your diet.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.

  
Ira L. Goldberg  
President, Source Naturals®
