MEMORANDUM OF TELEPHONE CONVERSATION

January 20, 2004

Between:

Mary Catchings (HFD-7)

and

Robert Glickman
The Law Office of Robert Alan Glickman
(representing Bruce I. Diamond)
404-355-1855

SUBJECT: Debarment Proceedings of Bruce Diamond

I called Mr. Glickman to find out if he was still interested in proceeding with the January 2, 2003, request for hearing that he filed on behalf of Mr. Diamond. Mr. Glickman had filed a request for extension of time to submit data supporting the hearing request. He claimed that additional time was needed to obtain information from Freedom of Information requests he had filed with FDA, the Department of Veterans Affairs, and the Medical College of Georgia. FDA's Atlanta District Office answered Mr. Glickman's request in August 2003, so, in effect, Mr. Glickman has been granted an extension to file supporting data.

Mr. Glickman stated that he needs to confer with Mr. Diamond, who has moved from Atlanta; but, he will submit supporting data by February 6, 2003.
