August 14, 2003

Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Colostrum supplements under the PhysioLogics brand name:

- Immune Support
- Colostrum is the nutrient-rich substance lactated by the mother's breast before milk production begins. Colostrum is traditionally rich in vitamins, minerals and immune-building substances. This cow-based Colostrum contains lactoferrin, an iron-binding glycoprotein, plus immunoglobulins to help support the body's immune system health.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Joanne DeCandia, MS, RD
Director of Nutrition Communications
