RE: Dietary Supplement Statement of Support Notification

To: Whom It May Concern:

Nutritional Specialties, Inc., 1456 E. Katella Ave. Anaheim, CA 92805, the distributor of the following dietary supplement products, intends to make the following statement of support: “Acetyl L-Carnitine, a metabolite of L-Carnitine, has been widely studied for its effects on brain function and memory, and also contributes in the transfer and utilization of long chain fatty acids.”

This claim is being made for Acetyl L-Carnitine. Which is contained in LifeTime® Acetyl L-Carnitine 500 mg. Capsules. This submission is being made in compliance with the requirements of 21 CFR 101.93.

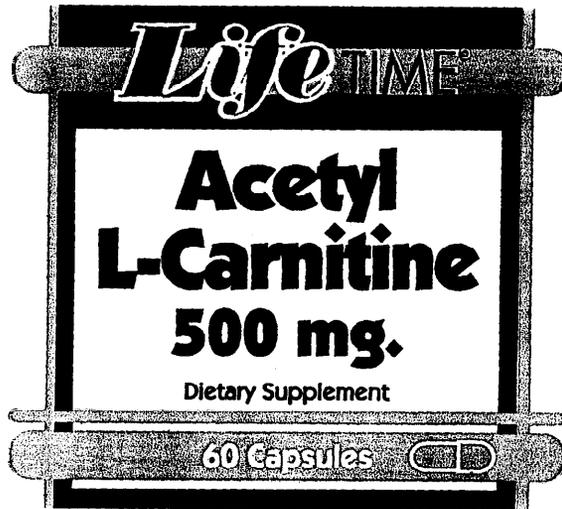

The undersigned is an authorized representative of Nutritional Specialties, Inc. and certifies that the information contained in this notice is complete and accurate, and that Nutritional Specialties, Inc. has substantiation that the above statement is truthful and not misleading.
