RE: Notification of Nutritional Support Statements

Dear Sir or Ma'am:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Mother's Choice™ Soluble DHA, a dietary supplement. Source Naturals® is the manufacturer of Mother's Choice™ Soluble DHA.

Statements being made in the labeling of Mother's Choice™ Soluble DHA

- 1) Docosahexaenoic acid (DHA) is an *omega-3* fatty acid and functions as an important component of brain tissue.
- 2) DHA has been found to play a significant role in cerebral development throughout the life cycle, especially during fetal development and infancy.
- 3) DHA is an essential nutrient for pregnant and nursing mothers and also for infants.
- 4) Dietary supplement for the brain.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.

Ira L. Goldberg  
President, Source Naturals®
