Dear Dale,

My name is Paul Rosenberg and I am the president of CTA Systems in San Francisco, a firm designing computer programs for laser light shows. We do not necessarily do shows, but keep our variance to demonstrate our programs if needed, to our clients.

We apologize for the timeliness on this request and respectfully ask that your office consider the renewal of our variance. There will be no changes in the class, products used, type of display or address. With the exception of the products we intend for purchase in the next two years.

We respectfully request a renewal of this variance: FDA Docket No. 86V-0315 and Accession No. 86A1074-08.

Also feel free to contact me any time at:

CTA
2632 Great Highway
San Francisco, CA 94116
Office Phone: 415-566-9100
Fax: 415 566-9101

We thank you again for your time, patience and consideration

Sincerely

Paul Rosenberg
