RE: Notification of Nutritional Support Statements

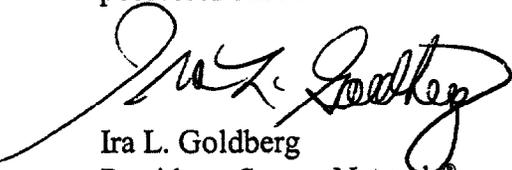

Dear Sir or Ma'am:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of NKO™ Neptune Krill Oil, a dietary supplement. Source Naturals® is the manufacturer of NKO™ Neptune Krill Oil.

Statements being made in the labeling of NKO™ Neptune Krill Oil

- 1) NKO™ is an extract from Antarctic krill that is rich in cell membrane building blocks: highly unsaturated phospholipids co-functionalized with *omega*-3 fatty acids (EPA and DHA).
- 2) Although beneficial for both men and women, NKO also supports temporary relief of PMS symptoms.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
