Re: DIGESTION™

Ladies/Gentlemen:

This is to notify the Food and Drug Administration that our company has begun to market DIGESTION™ Dietary Supplement, with the following statement of nutritional support included on the product's label:

Digestion™ is nutritional structure and function. It is a revolutionary combination of probiotics, prebiotics, enzymes, and liver support with detoxification.

It is hereby certified that the information in this notice is complete and accurate, and that our company has substantiation that the above statements of nutritional support are truthful and not misleading.

Very truly yours,

Natures Benefit, Inc.
