Herbal Supplement  
**Milk Thistle**

Fruit

*Silybum marianum*

**Whole PhytoComplex Concentrate**

Freeze-Dried Extract      Micronized Plant Powder

270 mg per capsule

Net Wt. 1.11 oz (31.5 g) 90 Capsules

Milk Thistle (*Silybum marianum*) helps support normal liver function.\*

This plant is carefully selected by Aboca adhering to the strictest protocols. Systematic quality controls implemented throughout the entire production process and analytical testing performed on raw material and finished product validate the safety and effectiveness of this herbal supplement.

Though **silymarin** is considered the main active ingredient of Milk Thistle, many other plant components contribute to the herb's efficacy. That is why Aboca has developed the exclusive **W.P.C.** (*Whole PhytoComplex Concentrate*) is a combination of the freeze-dried extract with micronized powder from the same portion of the plant, to assure maximum bioavailability, optimum concentration of active principle and the full-spectrum of constituents.

The result is a product with uniform content of **silymarin** without the use of excipients, colorings, flavorings, or preservatives. GMO free.
