Keep in a dry cool place.*

Herbal Supplement
Dandelion

Root

Taraxacum officinale

Whole Phytocomplex Concentrate

Freeze-Dried
Extract

Micronized Plant
Powder

320 mg per capsule

Dandelion (*Taraxacum officinale*) is known for its cleansing properties and supports healthy digestive function.*

This plant is cultivated from Aboca's organic farms. Systematic quality controls implemented throughout the entire production process and analytical testing performed on raw material and finished product validate the safety and effectiveness of this herbal supplement.

Though **caffeic acid derivatives** are considered among the main ingredients of Dandelion, many other plant components contribute to the herb's efficacy. That is why Aboca has developed the exclusive W.P.C. (**Whole Phytocomplex Concentrate**) is a combination of the **freeze-dried extract** with **micronized powder** from the same portion of the plant, to assure **maximum bioavailability, optimum concentration** of active principle and the **full-spectrum** of constituents.

The result is a product with uniform content of **caffeic acid derivatives** without the use of excipients, colorings, flavorings, or preservatives. GMO free.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
