Promotes Healthy Structure  
& Function of the Uterus\*

A Dietary Herbal Supplement

We prepare our Tang Kuei Extract from *Angelica polymorpha* var. *sinensis* roots which have been grown, harvested & processed according to traditional Chinese methods. To assure optimal quality Tang Kuei roots, we directly purchase from China only roots that have been graded 1st Quality and are laboratory verified to be free of any pesticides or sulfur fumigants.  
Dry herb / menstruum ratio: 1: 5  
Contains grain alcohol (60 - 65%), distilled water & Tang Kuei extractives.
