Re: Fisol™

Ladies/ Gentlemen:

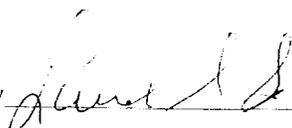

This is to notify the Food and Drug Administration that our company has begun to include Fisol™ Dietary Supplement, with the following statement of nutritional support included on the product's label:

Omega 3 fatty acids provide nutritional support for the cardiovascular system and may enhance general health. Fisol is a proprietary, delayed release formulation of high concentrate fish oils, EPA and DHA.

It is hereby certified that the information in this notice is complete and accurate, and that our company has substantiation that the above statements of nutritional support are truthful and not misleading.

Sincerely,

BioTherapies, Inc.

By 

Laurel Gross  
Marketing Manager

Omega 3 fatty acids provide nutritional support for the cardiovascular system and may enhance general health.\* Fisol is a proprietary, delayed release formulation of high concentrate fish oils, EPA and DHA.

*This product has two tamper-resistant systems. Use this product only if both seals are intact.*

\*These statements have not been approved by the FDA. This product is not intended to diagnose, treat, prevent or cure any disease.

Caution: Keep tightly closed in a cool, dry place at a temperature of 15-30°C (59-86°F) and out of the reach of children.

 Product number 5001

97S-0162
