METACUTS™ is an all new state of the art pre-workout formula and energy enhancer. METACUTS™ ingredients blend contains several ephedrine isomers, methylphenylacetate, yohimbine, and other alkaloids. When these ingredients are combined, they encourage a daily energy boost.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**WARNING:** Do not exceed recommended dosage. Taking more than the recommended dosage will not be more effective and may increase the risk of side effects, including heart attack, stroke, seizure, and death. Do not use if you are pregnant or nursing or if you have high blood pressure, glaucoma, diabetes, heart or thyroid disease, or any psychiatric disorder or if you are taking certain drugs for depression, psychosis or emotional conditions, Parkinson's disease, methylphenylacetate or product containing ephedrine, pseudoephedrine or phenylpropanolamine (ingredients found in cough/cold allergy, asthma and weight loss products), or if you are prone to seizures, or if you have difficulty in urination due to prostate enlargement. Consult your health care professional prior to use if you are using MAO inhibitors (such as within the last two weeks) or any other medication. Excessive use and/or abuse health professional immediately if you experience severe headache, shortness of breath, chest pain, irregular heartbeat, or changes in vision or hearing occur. Not for use by children.

Not intended for use by persons under the age of 18.  
KEEP OUT OF REACH OF CHILDREN.  
STORE IN A COOL DRY PLACE, WITH LID TIGHTLY CLOSED.  
DO NOT USE MORE THAN ONE SERVING A DAY.
