Re: Notification of DSHEA nutritional support claim for AmeriFIT Baby Boomer Cardio Dietary Supplement

Dear Sir or Madam:

The purpose of this letter is to provide notification pursuant to section 403 (r)(6) of the Federal Food, Drug, and Cosmetic Act ("the Act") and 7 C.F.R. § 101.93 that AmeriFIT, Inc., is marketing a dietary supplement that bears a statement of nutritional support as defined in section 403 (r)(6) of the Act.

The labeling for Baby Boomer Cardio bears the following statements:

"... program of dietary supplementation and common sense to help protect the health of your heart. Special herbs, targeted essential nutrients and other natural compounds complement a healthy lifestyle enrichment program for cardio fitness."

AmeriFIT, Inc. has on file substantiation that the above statements are truthful and not misleading. To the best of my knowledge, the information contained in this notice is complete and accurate.

Sincerely,

Craig Larsen
Director of Product Development and Quality Assurance
