To Whom It May Concern:

Please grant FARM SANCTUARY'S
petition to prohibit the slaughter of downed
farm animals (DOCKET # 98P-0151/CP1)

The time is long overdue for
humans to cease inflicting unnecessary
pain and torment on animals, and
putting an end to the downed animal
trade would be one way to do this.
Let's start showing some love and
compassion for these animals.

Thank you for your help.

Sincerely,
Josephine Nobile

URGENT ACTION NEEDED

Speak out NOW for farm animals!

- Downed animals - animals too sick even to stand - are commonly left to suffer for hours or days without receiving food, water, or veterinary care, and in many instances, they die of neglect.
 - They are dragged to slaughter with chains or pushed with tractors and forklifts - inhumane methods that cause injuries ranging from bruises and abrasions to broken bones and torn ligaments.
 - *Downed animals who survive handling and transportation are typically slaughtered for human food.*
 - *In addition to causing intolerable animal suffering, the slaughter and marketing of downed animals poses a risk to human health.*
