Re: Docket 00N-1351  
Food Labeling: Use of the Term "Fresh" for Foods Processed With Alternative Nonthermal Technologies

Dear FDA:

I am writing to object to the term "fresh" to describe any food treated with nonthermal processing, as proposed in Docket 00N-1351.

I also request that you rescind the decision to allow raw foods treated with irradiation to be labeled as "fresh".

The term "fresh" implies untreated, unprocessed food. Please allow labeling criteria to reflect this by not including nonthermal technologies which have not been thoroughly studied. Thank you.

Sincerely,

*Michele M. Makrucki*
