

# Attention FDA

0456 '00 APR -6 P1:37

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*NO, Free Choice should prevail,*

*OR! If FDA would pay!*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*Misrepresentation of condition of hearing. Excess expense of so many hearing Aids*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*NO!*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*YES, IT is the only way I can afford hearing Aids*
