

Attention FDA

0350 '00 APR -6 P1:30

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

No I should not be forced.

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

I have never had no bad experience.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

No I can decide for myself.

4. Should I be allowed to purchase hearing aids by mail as I choose?

yes. I have been wearing Excel Hearing aid in both ears for 10 years, and I have not had any trouble what so ever.
