

Attention FDA

0364 '00 APR -6 P1:31

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

FDA PAYS - NO UNFUNDED FORCED MANDATES - THE CONGRESS IS STOPPING IT, SO BE IT WITH THE REST OF GOVT.

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

A MAN WITH POOR HEARING, HAD TO HIRE A TAXI TO TAKE HIM TO THE HEARING AID CENTER - GETTING OUT OF THE TAXI A MUGGER SAID "FREEZE" BUT HE DIDN'T

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment? HEAR THE MUGGER SAID

TELL THE CHISELING CHEATING THEM INFESTED FDA TO GET OUT OF MY LIFE - THEY ARE MORE DEADLY THAN THEY ARE HELPFUL

4. Should I be allowed to purchase hearing aids by mail as I choose?

YES
